To whom it may concern

During the coronavirus pandemic medical herbalists have played a key part in supporting the health of the population - our members have continued to offer consultations and dispense medicines since restrictions began in March 2020

Please accept this letter as confirmation that, as at the date of this letter, our members are able to offer healthcare services to their patients in accordance with the restrictions in place.

If you have any questions about a specific membership, or the contents of this letter please contact us using the details below.

Your faithfully,

James Wiltshire
