

Ordinary Resolution 1

That Council circulate a formal Quarterly Report.

Notes

The Quarterly Report could be circulated as a pdf by email.

This might cover, for example, meetings of NIMH Committees and ongoing discussion and proposals, any formal decisions by Committees or the Accreditation Board, updates of the Code of Ethics or Continuing Professional Development. It could include a regular note from the President and any Member of Council if needed.

Formal Quarterly Mailings were discontinued around 2010 which reduced costs as they were printed and posted.

Regular mailings could allow Members to engage with the different Council Members and so potentially make Members more keen to volunteer.

Proposer: Alison Denham

Seconder: Dannielle Kay
