

School of Herbal Medicine Job Vacancies

School Principal

Part time, initially 12 hours a week.

Immediate Start

This post does not require the applicant to be a working herbalist, but requires the successful applicant to;

- Be responsible for the upkeep and development of the school's policies and procedures and the implementation of regulations
- Liaise with educational bodies, professional bodies, staff and students
- Investigate ways in which the school could be developed further
- Be responsible for the recruiting of tutors and other staff members
- Oversee the pastoral care of the students
- Be present at each yearly Open Day
- Attend weekly staff meetings in person with the directors and administrator in the Minehead and Bridgwater area

ANATOMY & PHYSIOLOGY TUTOR

Starting September 2021

The School requires an Anatomy & Physiology tutor to teach the first two years of our programme.

This will involve 8 teaching days per academic year [4 for each year], and takes place at weekends. The applicant will be required to write and mark exams, and set 4 homework for each year, and be able to travel to the Minehead area to teach face to face.

The course material is written, and includes;

Year 1 covers basic A&P of body systems and surface anatomy

Year 2 Covers general histology with use of microscope and slides
