

POWER OF PLANTS FESTIVAL 2027

Park Next to Your Tent – Terms & Conditions

A few simple rules to get us started

- Drive slowly and carefully - if you're out of first gear, you're going too fast!
- Get to know your campsite neighbours - sharing is caring.
- Keep emergency routes clear - that ambulance could be for you / your child / your partner.
- Do use the bins provided, or even better take your rubbish home.
- Follow the instructions from our Stewards - they are there to help.
- Smile, laugh out loud and have an amazing festival!

“Park Next to Your Tent” Pass

By purchasing a “Park Next to Your Tent” pass, you agree to the following terms and conditions:

1. Eligibility

- A valid festival ticket is required for every person using the campsite.
- A valid Park Next to Your Tent pass must be purchased for each vehicle entering the designated camping area.

2. Vehicle Restrictions

- Must fit into a 6 metre x 10 metre space
- Only standard passenger vehicles and motorhomes are permitted.
- Commercial vehicles, buses, HGVs, or any vehicle deemed unsuitable by event management may be refused entry.

3. Pitch Allocation

- Pitches are allocated by event staff on arrival on a first-come, first-served basis.
- Specific pitch locations cannot be guaranteed.

- Groups wishing to camp together should arrive at about the same time. While every effort will be made to accommodate requests, this cannot be guaranteed.

4. Speed Limit & Safety

- A maximum speed limit of 5 mph applies throughout the campsite (if you're out of first gear - you're probably going too fast!)
- Hazard warning lights should not be used when moving, unless you're stationary and causing an obstruction.
- Drivers must follow the instructions given by festival staff, stewards, and security personnel.
- The "Park next to your tent" system means that whilst you have the convenience of having your vehicle right next to your tent, which helps with manual handling and security of personal items, you **cannot move your car once you are pitched**.
- This means if you think you might want to go to the shop/pub/bank etc. You need to leave your car in the car park. You will not be allowed to move your car from the "Park next to your tent" location once you are pitched, as obviously this is a safety issue for your fellow campers.
- Do leave your car in gear with handbrake on

5. Camp Site Rules

- Tents, gazebos, and equipment must remain within your allocated pitch.
- Access roads, fire lanes, and neighbouring pitches must not be obstructed.
- Excessive noise, anti-social behaviour, or dangerous activities will result in you being asked to leave.
- Campsite quiet time is from 10 pm until 6 am - just so that we all get a good sleep.

8. Waste

- Please use the bins provided - we do achieve a very high recycling rate (92%), even though everything is mixed at source.
- All attendees are responsible for leaving their pitch clean and clear on departure.

9. Security

- As always, vehicles and their contents are left entirely at the owner's risk.
- We cannot accept responsibility for loss, theft, or damage to vehicles or personal belongings.
- Do not leave valuables visible inside your vehicle - lock them in the boot or glovebox.

10. Prohibited Items

The following are not permitted within the campsite.

- Generators
- Sounds systems
- Fireworks
- Sky lanterns/Chinese Lanterns
- Illegal substances

- Offensive weapons
- Dangerous items
- Hazardous items

11. Compliance

- Failure to comply with these terms, the festival's general Terms & Conditions, or reasonable instructions from event staff may result in:
- Removal of the vehicle from the camping area;
- Eviction from the festival; and/or
- Cancellation of the Park Next to Your Tent pass without refund.

12. Liability

- The festival organiser shall not be liable for any loss, damage, injury, or expense except where liability cannot be excluded under applicable law. Nothing in these terms limits or excludes liability for death or personal injury caused by negligence, fraud, or any other liability that cannot legally be excluded.

13. Amendments

- The organiser reserves the right to amend these terms where reasonably necessary for operational, safety, or legal reasons. The latest version will be available on the festival website.
